

Group Registration

Organizations who request group registration must submit a request via the Group Registration page <https://gxclive.org/group-registration/>.

A discount code with the relevant registration will be sent within 3 working days.

Discounts are on the following attendee numbers and are applicable for General and VIP tickets only:

- Save \$100 per person when you bring 5-9 attendees
- Save \$125 pp when you bring 10-14 attendees
- Save \$150 pp when you bring 15-19 attendees
- Save \$200 pp when you bring 20 or more attendees

Go to <https://gxclive.org/register> to start the process of registering your group.

The first email to start will be the primary email for the group booking. This will be a person who is attending the event as they will have the group registration tied to their account.

You will work through the sections of registration for your primary person including:

- Contact Information
- Ticket Selection
- Add-Ons
- Attendee Information
- Terms & Conditions
- Group Registration

Once you get to Group Registration 'Do you need to register an additional person?' Click Yes then click Next.

This will bring you back to the Email address page. ENTER THE NEXT PERSON'S EMAIL ADDRESS HERE.

You are now starting the registration for your next person. Each time you get to group registration repeat the Yes option and start to register the next person.

Add your promo code to apply the group discount then proceed to payment. If you do not have your promo code you must submit a request in order to receive your discount.

Your group registration will be cross-checked against the request for a discount to confirm it's aligned with the request.

For any questions regarding group registration email registration@gxcevents.org with the subject line *Group Registration for GXC Live 2026*.
